### **SILVERGATE IS RECOGNIZED FOR IT'S COMMUNITY SERVICE**

Legacy Endowment...The Community Foundation was pleased to honor Dorothy Pratt and her staff at Silvergate Retirement Residence for their generosity in serving our community of Fallbrook. Silvergate hosted Legacy's Investment Advisor review, which was held for 2 days in April at Silvergate Residence. Legacy's Board members were performing their due diligence with evaluating the investment advisors for the funds held for their donors, funds that help many charities in our communities. Dorothy and her attentive staff made sure that the Legacy Board members, and their guests that attended the review process, had everything needed to make the meetings go smoothly. Legacy is grateful to have friends like Dorothy, Lynne and Dusty and feel that they richly deserve recognition for their good deeds.
